SKILLS

Drums: Advanced | Guitar: Intermediate
Harmony execution & vocal arrangement
English: fluent | Italian: basic

I'm an Argentinian singer and bandleader with over
four years of cruise ship experience and a 400-
song repertoire.

Comfortable both leading and supporting, I've
performed across a wide range of styles and
settings, always with a focus on presence,
consistency, musicality, and connection.

I've developed strong musical leadership under
pressure—and learned how to keep the team
grounded while keeping the music alive.
